# Your Gateway to Success!

## What is Victoria Day?

In 2024 the Victoria Day holiday is on Monday, May 20!

It is a Canadian statutory holiday celebrated on the Monday preceding May 25 in every province and territory. It honours Queen Victoria's birthday, which was May 24, 1819.

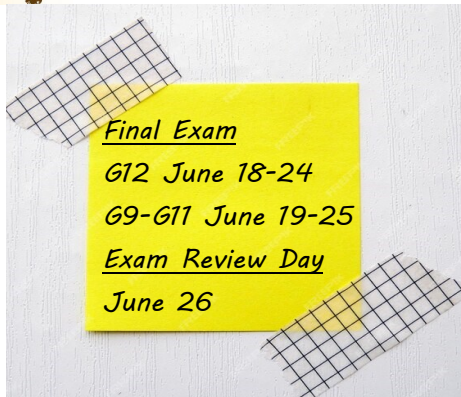

Victoria Day is considered the start of the summer season in Canada. It is usually marked with parades, outdoor events and fireworks.
