

STUDENT SUCCESS AGREEMENT

I understand that in order to maximize my learning experience and make the most of this educational opportunity afforded to me, I am making a commitment:

To attend class regularly:

- I understand the relationship between student success and consistent attendance to each class.
- I understand that I must be on time to each class and attend every class, whether in person or virtually.
- I understand that I am required to successfully complete one (1) Religion course per school year.
- I understand that excessive absenteeism will result in dismissal from the program and return to my home country.

To participate:

- I commit to actively participate in class as this is very important to my learning experience.
- As part of this commitment, I understand that I must respect others and avoid cell phone use or other disruptive behaviours.
- If I partake in virtual learning, I will conduct myself appropriately and avoid any offensive or disruptive activity.

To be prepared for class and study:

- I will ensure that I am prepared with all materials required for learning and study independently to be ready for each class as required for the lesson.
- I will complete all assignments on time, demonstrate organization, time management, a strong work ethic, and a willingness to learn.
- I also understand that my classes may require several hours of independent study/homework per week.

To be successful:

- I will communicate to the teacher any questions or concerns about the lesson/class to ensure my success in class.
- I will use other school resources, such as peer tutoring, to support my studies, if needed.
- I understand that plagiarism and cheating are unethical and will submit work that is properly cited and solely mine.
- I will permit the school to share information regarding my attendance at school, academic performance and/or behavioural issues with my parents, custodian, host family and the York Catholic District School Board's International Education Department, to support my success and well-being.

To follow rules:

- I will comply with my school's Code of Conduct and respect the rules of my host family.
- I will not engage in any form of discriminatory behaviour, harassment, bullying, verbal or physical aggression.
- I will respect the authority of my appointed custodian.

I understand that I can only succeed through hard work and will take the initiative in my education. I want to succeed in this program and I will apply the skills and attitude to be successful. I understand that the ultimate responsibility for succeeding in school is in my control and failure to comply may result in progressive disciplinary actions, including suspension or expulsion from the program.
